

THREE COURTS GOING.

Criminal Cases Being Heard and Disposed of at a Rapid Rate.

RUNNING OUT OF PETIT JURORS.

Application for the Revocation of Two Liquor Licenses.

THE NEWS OF THE COUNTY COURTS

The third branch of the Criminal Court was put in operation yesterday with Judge Porter on the bench. A large amount of business was cleared up and it is intended to keep the three branches running for about two weeks.

Once or twice during the day the jury panel was exhausted, and talesmen were selected from the crowd of spectators to fill up vacancies in order to keep the courts in motion.

The case of Charles Strain, the Pittsburg, McKeesport and Youngbushen Railroad engineer, charged with the murder of a fireman named Stewart, was to have been put on trial, but owing to the absence of important Commonwealth witnesses it was postponed.

Five Years to the Workhouse. Henry Palmer, the man who ran the fence on Penn avenue and who was charged with the larceny of a buggy robe and a set of harness from Dr. Buchmann, was convicted and sent to the workhouse for five years.

An important case is on trial before Judge Kennedy. Frank Shay is indicted on two charges of burglary, one attempted burglary and one of felonious assault and pointing firearms.

Mike Hotener, charged with stealing a lot of tobacco and cigars from Mike Samberg, in McKeesport, was acquitted. Matthew Elliott, charged with maintaining a nuisance on oath of R. T. Keimman, of Soho, was convicted.

Pierce McCabe, charged with the larceny of \$150 from Geo. B. Lott, of Clarksville, pleaded guilty. Wm. Shumaker pleaded guilty to the charge of assault and battery on oath of Wm. Pakulski and was sent to the workhouse for a year.

Jerry Cahill, charged with the larceny of a turtle from James Devinney, was acquitted. Fred Beymer, charged with assault and battery on Dan Hatzfield, of Troy Hill, was found not guilty and the prosecutor ordered to pay costs.

NOLD AND BAUER INDICTED.

Number of True Bills Returned by the Grand Jury.

The grand jury returned true bills yesterday against Carl Nold and Henry Bauer, charged as accessories to the assault made on H. C. Frick, July 23, by Alexander Bergman. Quite a number of illegal liquor selling cases were acted on and in each case a true bill was found. They were against Albert Lahata, Sr., John Adler, Kate Carey, George Kroelch, F. Morsick, S. Singer, John Boser, Fred Mockison, Louis Konb, Jacob Stern, John Lorentofsky, Adolph Bingley, Samuel Friedman, Abraham Frank and Henry Vogel.

AFTER LIQUOR DEALERS.

Application for the Revocation of Two Wholesale Licenses.

Attorney W. M. Price yesterday filed in the Quarrier Sessions Court petitions for the revocation of two liquor licenses. The petitions are those of Edward R. Hesser, who asks the Court to issue rules on Hippeley & Son, the brewers and bottlers, and E. F. Hodge, wholesale dealer, to show cause why their licenses should not be revoked.

Hodge, who is located at No. 2638 Penn avenue, Pittsburg, it is asserted, has sold beer to minors and made of intemperate habits and in less quantities than permitted and have furnished beer on Sunday.

KENT WANTS TO GET OUT.

The Court Asked to Release Him From the Central Station.

Attorney J. W. Holmes yesterday filed in Common Pleas No. 1 a petition for a writ of habeas corpus to secure the release of Christopher Kent from Central station. Kent states in his petition that he is unjustly and illegally confined in the station for no criminal matter whatever. The Court granted the writ and fixed to-morrow for a hearing.

Kent is charged in Lakewood, N. Y., with enticing away a girl named Frances Williams. He was arrested by Detective Robinson at the request of Lakewood officials.

The Grand Jury has favorably considered the application for the incorporation of the borough of Oakdale. The new borough is created out of portions of North Fayette and South Fayette townships.

PETER SWIDER yesterday entered suit against William Rhodes for damages for false arrest. Swider alleges Rhodes sued him before Alderman Larkins, of Allegheny, for malicious mischief, but he afterward withdrew the information.

The Howard Plate Glass Company filed a bill in equity yesterday against the borough of Duquesne and John W. Crawford, Burgess and the Pittsburg, Virginia and Charleston Railway Company to restrain the defendants from maintaining board cutters under the tracks, by which water is said to be drained down onto the property of the plaintiffs.

NO STRIKE IN SIGHT.

Reading Railroad Differences With Employees Satisfactorily Adjusted—President McLeod and Chief Arthur Settle the Trouble in Conference in Less Than an Hour.

PHILADELPHIA, Sept. 13.—A conference was this morning arranged between President McLeod, of the Reading road, and the Grievance Committee of employees, together with Chief Arthur, of the Brotherhood of Locomotive Engineers; Wilkins, of the Railway Conductors, and P. H. Morrissey, of the Trainmen, to take place at 2 o'clock this afternoon.

At 1:30 the delegation assembled at the St. Charles Hotel and prepared for the conference. Mr. Arthur was asked at this time whether he had heard from Grand Master Powderly, of the Knights of Labor, or President of Campers, of the Federation of Labor. He replied that he had not.

"Do you expect to obtain their support?" he was asked. "I do not see how they enter into the matter," replied Mr. Arthur. "We have no business transactions with them. They have no organization on these roads that I am aware of."

As to the outcome of the conference he declared: "I cannot express our determination any stronger than this: We will not submit to the discharge of any member of the Brotherhood for such reasons as have been given in this case."

The conference lasted nearly an hour. At its close the committee emerged and Chief Arthur, in reply to a question, said: "All is satisfactory. McLeod appeared and said: 'We had a very pleasant conference, and found in this case, what I have always thought and believed, that when two men get together who are fair minded, and wish to reach a fair decision, it does not take them long to get at one.'"

ARRESTED THE WHOLE FAMILY.

Little Anna Waist Pleaded Faithlessly for Her Mother's Release. "Don't lock up mamma," sobbed little Anna Waist, at the Allegheny police station yesterday afternoon, "lock up papa. He hit mamma with a chair."

August Waist, the father of Anna, a German mill worker, lives with his wife and four children in a shanty just near La Belle street works. He and his wife quarreled yesterday, when Waist, as he admits, hit his wife with a chair. Officer Hally hearing the noise and screams of the children rushed down to the boat and arrested both husband and wife, and as there was no one on the boat to take care of the children he took the whole family to the lock-up.

Mrs. Waist says her husband often beats her, and the many scars about her head and face confirm her story. She also says Waist makes the little ones go out on the streets and beg. The whole family are very poorly dressed and what clothes they have on are in a filthy condition. Waist was locked up for a hearing this morning, and the wife and children sent home.

A ST. LOUIS STREET CAR HORROR.

Two Killed and Thirteen Injured on an Electric Line.

ST. LOUIS, Sept. 13.—A terrible street railway accident occurred in the southern part of the city between 9 and 10 o'clock this morning, in which two people were killed and 13 injured. It appears that while a train, consisting of an electric motor and a trailer car, was coming down a steep grade, the motorman lost control of his car and the train rushed down the grade at full speed.

In turning a sharp curve, the trailer, which was crowded with passengers, was derailed and turned over and the passengers were hurled in a confused mass to the side on which the car fell. Mrs. Barbara Schenning was killed and an unknown man was crushed to death. Miss A. M. Jones, Adolph Snell, Miss Annie Mose and Rudolph Horteman were fatally injured.

Procure It Before Leaving Home.

Three years ago, while I was visiting relatives at Higgsville, Mo., I was suddenly taken with colic and severe pains in the stomach. My relatives sent to the doctor for medicine, and he sent me a bottle of Chamberlain's Colic, Cholera and Diarrhoea Remedy, telling the bearer that if that medicine did not cure me he could not prescribe anything that would. I used it and was immediately relieved.—HENRY A. THOMPSON.

What is It? A substitute for lard? Upsetting the customs, habits, and prejudices of centuries? Yes, all this and more. Cottolene is a new cooking product—it is better than lard or butter for cooking, so say such noted housekeepers as Marion Harland, Catharine Owen, Christine Terhune Herrick, Emma P. Ewing, Mrs. S. T. Rorer, Mrs. F. A. Benson, Amy Barnes, Margaret Wister, and many others; it is healthier—so says every thoughtful physician; and it is cheaper as every housekeeper knows when she finds that one-half the quantity answers every purpose.

COTTOLENE is the purest clarified cottonseed oil mixed with pure beef fat. It is the best cooking material ever devised for frying anything and everything—easily digested and highly nutritious. Beware of imitations. Ask your grocer for the genuine Cottolene.

A PAIR OF PANTALOONS. Isn't it queer how the Italian word for Clown, Panteleon, has given a name to what used to be worn instead of trousers? -ALIQUIPPA- MOVING WHEELS TELL the story of the new town of Aliquippa, 20 miles from Pittsburg on the P. & L. E. Ry. better than any other method. During the interval we have not been advertising; we have been bending all our energies in getting the town into splendid shape for the fall sales. What has been the result? The promised mammoth manufactories are no longer a promise. The big steel works, shovel works, tin plate mill and enamel brick works are now in operation and need but an investigation to convince that

-ALIQUIPPA- Has a solid man of sterling backing. The town itself presents a lively appearance. Already there have been built, are building, or under contract for immediate erection 100 or more houses. These are of the better class. Homes for the workmen are scarce and offer a splendid opportunity for profitable investment to any one building rentable houses. 15 PER CENT easily realized. Aliquippa is in sight of those thriving towns of Rochester, Beaver Falls, Beaver, New Brighton and Phillipsburg. Not out of civilization, but in the midst of it. The streets are graded, the town thoroughly drained, boardwalks down, factories running and lots on easy terms at an average price of \$300. A little investigation convinces that Aliquippa is the town to put your money in. Salesmen on the grounds every day. Trains leave P. & L. E. station at 7, 8, 9:30, 12:30 and 2:55 city time.
